LONG BEACH, CA 90803

Chinese American Construction Professionals is a group of professionals consisting of architects, contractors, engineers and construction-related professional members. This is our twelfth year participating in the ICEA Long Beach Dragon Boat Festival. Our team was the First Place Winner in 2010 Mixed Division III race. It is a wonderful opportunity for our members to meet and have fun with other community groups. Come and join us this year.

First practice will take place on Sunday **6/3/2017** at Mother's Beach, City of Long Beach. Please contact us and reserve your spot. See you at the beach!

Practices schedule:

TBD

Race days – July 29 & 30, 2017
