Subject: Request for Proposal -- Airport Planning Professional Services  
For Los Angeles World Airports - Capital Programming and Planning Group  
LAX, LA/ONT, VNY and PMD

To Whom It May Concern:

GWA is actively seeking interested MBE/WBE/OBE team members for the above referenced project. We have obtained the name of your organization from Los Angeles World Airports as a reputable source for assistance in contacting qualified firms that are certified as MBE/WBE/OBE companies.

The team members we are seeking should be able to provide proven skills in the following professional disciplines:

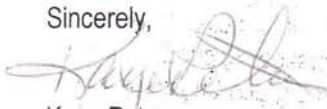

- o Airport Planning
- o Modeling and Simulations
- o Demand Forecasts
- o Programming and Assessments
- o Cost Benefit / Life Cycle Cost Analysis
- o Cost Estimating and Scheduling
- o Existing Condition Assessment
- o Signage and Wayfinding
- o FAA and TSA Consulting
- o MEP Engineering

We would very much appreciate any assistance you can provide us as we seek to build a winning team to successfully address this Request for Proposal from Los Angeles World Airports. If you are interested in discussing this opportunity in greater detail, obtaining additional information regarding this project or the requirements for the above described subcontracting work, please contact the following:
